ENSURING YOUR CHILD'S SAFETY AND GROWTH WITH INDIA TO SPAIN

1. **Parent/Institution-Appointed-Guardians:** Parents/institutions have the authority to appoint guardians for their children.
2. **Open Communication:** Guardians can stay in touch with students at all times, fostering a sense of security and connection.
3. **Non-interference Policy:** Guardians are encouraged not to interfere with the training program, allowing students the freedom to learn and develop autonomously.
4. **Emphasis on Team Dynamics:** Students are grouped and accommodated with peers to encourage teamwork, harmony, exposure and effective communication.
5. **Proximity of Home Guardian:** Home guardians reside close to the premises and have unrestricted access to the academy.
6. **Strict Safety Measures:** Students are only permitted to leave the premises with special permission from the home guardian, ensuring their safety and well-being.
7. **Dedicated Academy Guardian:** Each student is assigned an additional guardian from the academy to assist with schedules and address personal needs, ensuring a seamless experience.
